

Harlequin Waste Oil Tanks

Harlequin Waste Oil Tanks have been developed especially for the safe, secure and environmentally responsible storage of waste oils and lubricants. Fully bunded, they exceed all current and expected regulatory requirements.

Available in a choice of capacities from 350 litres to 2,000 litres, they are ideal for the safe, secure and responsible storage of waste oils at garages, workshops, public transport depots, civic amenity sites or anywhere there is a requirement to store waste oil.

For more information, visit Harlequin Online at www.oil-tanks.co.uk

ORB350

Diameter:	980 mm
Height:	1,355 mm
Weight:	50 kg
Capacity:	350 litres

ORB650

Length:	1,715 mm
Width:	670 mm
Height:	1,440 mm
Weight:	110 kg
Capacity:	685 litres

ORB1000

Length:	2,150 mm
Width:	710 mm
Height:	1,490 mm
Weight:	135 kg
Capacity:	1,056 litres

ORB1200

Length:	1,900 mm
Width:	1,600 mm
Height:	1,070 mm
Weight:	130 kg
Capacity:	1,317 litres

ORB1400

Length:	1,900 mm
Width:	1,250 mm
Height:	1,540 mm
Weight:	135 kg
Capacity:	1,453 litres

ORB2000

Length:	2,360 mm
Width:	1,320 mm
Height:	1,530 mm
Weight:	185 kg
Capacity:	2,111 litres

All Harlequin Bunded Waste Oil Tanks are manufactured in an ISO9001, ISO14001 and OHSAS18001 accredited production environment. For complete peace of mind and reassurance, all Harlequin Waste Oil Banks exceed all current and expected British, Irish and European Waste Oil Storage Requirements and benefit from almost 30 years experience in the design, development and manufacture of environmentally preferred, rotationally moulded fuel storage solutions. For further product information, visit Harlequin online at www.oil-tanks.co.uk

Easy to install and easy to use, every Harlequin Waste Oil Tank is supplied complete with large capacity tundish, weatherproof lid and removable strainer.

A continuous read hydrostatic contents gauge can be specified as an extra cost option on all Harlequin Waste Oil Tanks.

With no batteries to fit and no buttons to press... monitoring waste oils and lubricants has never been easier!
